---

## Background

When purchased, Bayalink Liberty is licensed for a specific BlackBerry Smartphone. If you wish to use the Bayalink Liberty key with a different or new BlackBerry Smartphone you must transfer the license to the new BlackBerry. The procedure for transferring the license is outlined below.

---

## Procedure

The web form for transferring your Bayalink Liberty license to a new or different BlackBerry Smartphone can be located at <http://www.bayalink.com/support>.

Select the **License Transfer** option from the Self Serve section

In order to complete the change, you will need the following information

- Old BlackBerry Device PIN:
- New BlackBerry Device PIN:
- Product Registration #:
- Email:

Once all information is provided click accept to process the license transfer.
