### Details

Please see table below for the minimum application permissions required for the Bayalink Liberty handheld application. Permissions that have a check  in the "Required" column must be set to **Allow** for the Bayalink Liberty application to perform as designed. Permissions that have an empty box  in the "Required" column are not required and are of no consequence to The Bayalink Liberty solution. When possible comments have been made to describe why the permission is required. Further inquiry regarding these permissions should be sent to [info@bayalink.com](mailto:info@bayalink.com)
